

Math 273A - Project 1

Eric Weise - A09642187

November 8, 2019

My code

you can find my code at: <https://github.com/ericdweise/math-273a/blob/master/project1/project1.py>

Note

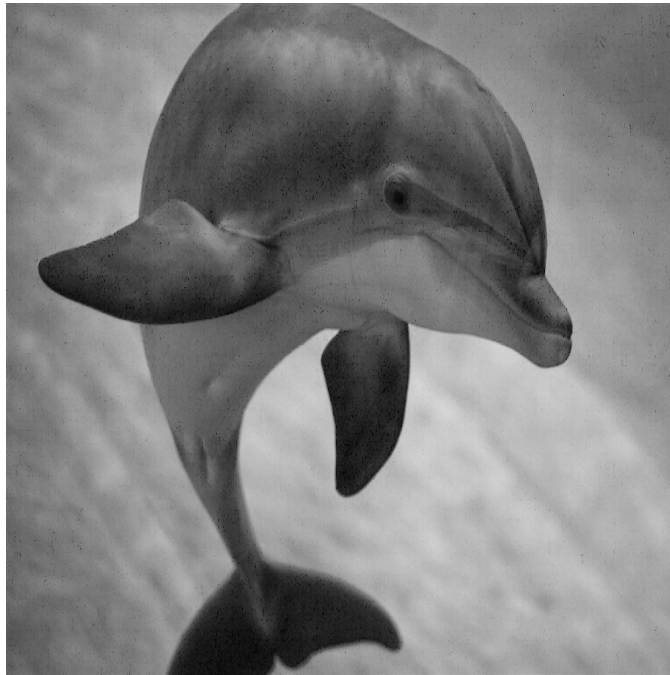

In my convention, an $m \times n$ image has m rows and n columns. m is the height, n is the width.

Figure 1: Starting image

Part A

Figure 2: Image resized to 1000×1000 pixels

Part B

Figure 3: Image resized to 760×489 pixels

Part C

Figure 4: Image resized to 100×300 pixels
